## PINKS WITH A TWIST WEEKEND - AUGUST 13-14 PROGRAM INFORMATION

Hey Pinks With A Twist is back! Thanks to all of you and your support. I am always so proud of what you do. This year Chris and Trish Biro from RPM Magazine will be on hand to both enjoy and help us at the event. Again this year we want everyone at the race to simply be there, whether you raise money for the cancer fund or come to race and enjoy the dunk tank, the casino and our other activities. It's all fun.

Pro Oil Change Pinks with a Twist weekend of Aug. 13th-14th will have a different race format on Saturday with more Pro Tree classes to include everyone and are sponsored by the Park. Later on Saturday, Box and No Box Gamblers Race and Jr. Division Race. Sunday Time Trials followed by 2 qualifying passes to make the fields, everyone races and the fields are split to decide the two divisions.

RPM/Lucas Oil Extreme Coastal Cruise PEI Aug. 12th, 13th & 14th

This season the Pinks with a Twist Canadian Cancer Society drag race weekend is expanding to the RPM/Lucas Oil Extreme Coastal Cruise PEI. In addition to our annual cancer drag race fundraiser we are beginning this cruise which will include part of the event being hosted by our neighbouring village of North Rustico. For more info: [coastalcruisepei.com](http://coastalcruisepei.com)

Our Cruise Show and Pinks Drag Race is great for all spectators to see, but we have one more super addition to the show, PYRO!  
PYRO is a jet truck which not only does some great passes, but someone will win a pass down the track as a passenger. Check our site for more info.
